**Strategy Tips**

*The goal of a Venn diagram is to build a strong comparison between two topics. How are the topics alike? How are they different? Be as specific as possible.*

**Standard Connection**

### Directions

Describe the two topics you are analyzing in the boxes below. Next, explain why you think a comparison of these topics will be useful. As you read, collect detailed and specific ideas on the Venn diagram, listing commonalities in the overlapped space on the diagram.
